### 2nd Fatal Accident at 54th and City Line

#### Elderly Woman Crossing Street Struck by Truck

Widow of John Greenwell, President of Phila. Savings Bank

Mrs. Mayme Bornam Greenwell, 68, was fatally injured Monday, at 2:30 P. M., as she attempted to cross City Line Ave. at 54th St. Knocked down by a coal truck, she died two hours later in the Presbyterian Hospital.

It was the second fatal accident at the same spot in less than six weeks. On July 4 Owen Smith Fitzgerald, 68, was struck by a car while crossing at the same corner and died in Bryn Mawr Hospital the following day.

According to police, the truck which hit Mrs. Greenwell was driven by William Siman, of Philadelphia, an employee of the Waldman Coal and Fuel Company. Siman said he was traveling east on City Line, and was unable to avoid striking the woman as she stepped in front of his truck. He was held on a technical manslaughter charge by Philadelphia police.

Mrs. Greenwell, who lived at the Edge Hill Court apartments, 25 Old Lancaster Rd., Bala, was the widow of John Greenwell, who was president of the First Penny Savings Bank of Philadelphia. Mrs. Greenwell was an associate of the late John Wanamaker, with whom he helped found the Bethany Temple Presbyterian Church, 53d and Spruce Sts., Philadelphia.

Born in Philadelphia and educated in schools there, Mrs. Greenwell came to the Main Line 20 years ago. She was a communicant at the Overbrook Presbyterian Church, where she took an active part in the work of the women's organizations.

Survivors are a son, Harold Gordon Greenwell, of St. David's, an attorney with offices in Wayne; two stepdaughters, Mrs. Warren Moss of Merion, and Mrs. Louis Rothmel, of Houston, Tex.; three stepsons, John Greenwell, Jr., Samuel T. Greenwell and Russell Greenwell, all of Philadelphia, and a brother, William Bornam of Ridley Park.

#### Rezoning Date Set for Tavern

Business Classification Would Doom 200-Year Old Hostelry

Owners of the 200-year-old Buck Tavern, Bryn Mawr, moved a step nearer the solution of their zoning problem when Haverford Township commissioners granted them a hearing on their zoning application for September 15.

On this date, the first Fall meeting of the township governing board, commissioners will consider the application of the owners to change part of the Buck Tavern property to a business classification. The property is located on a triangular plot at Lancaster Ave., Martin Ave. and County Line Rd.

In setting a date for a hearing, the commissioners followed the recommendation of the Township's Board of Zoning Adjustment. Although nearby residents protested a change in zoning for the whole property the Adjustment Board compromised by recommending that commissioners change part of it to a commercial zone.

Providing commissioners approve the zoning change the historic tavern, which was built in 1730 by Thomas Penn, son of William Penn, will be demolished to make way for a modern store building. At present the old hotel is being used as an apartment house.

Owners of the property are Mary Martin and her son, Harry, and daughter, Gertrude.

#### St. Joseph's College Has Record Enrollment

St. Joseph's College 54th and City Line, Philadelphia, with the largest enrollment in its history, will use a converted Navy barracks for extra classrooms this year, college officials said yesterday. The barracks, now in the process of reconstruction, formerly stood on Solomon's Island, Md.

In the day school, 1500 students are enrolled. In the freshman class will be 460 students; in the sophomore class 683; junior, 259, and senior, 69. Although there are men from as far away as Puerto Rico, South America and the Philippine Islands, the bulk of the student body is from eastern Pennsylvania, Delaware and New Jersey. Classes will begin on September 15.

#### FILES FOR DIVORCE

Mrs. Virginia R. Donnelly, of 318 Chestnut Ave., Narberth, has filed suit for divorce against Harold B. Donnelly, in the Prothonotary's Office in Norristown. The couple was married on April 6, 1940.

#### New Polio Cases In Haverford

None Reported From Lower Merion or Narberth

Two new cases of polio appeared this week in Haverford Township, running the year's total there to ten. Lower Merion Township and Narberth Borough had no new cases.

Six-year-old Sue Browning, daughter of Mr. and Mrs. Everett Browning, 1208 Fairview Rd., Bon Air, first became ill on August 7. On August 9 she was admitted to the Delaware County Hospital and her illness diagnosed as infantile. After a bad day on Sunday, she was reported improving by Dr. D. N. Ross, of the Haverford Township board of health.

Sally Vandewater, 14, daughter of Mr. and Mrs. Donald Vandewater, of 222 Oxford Rd., Westgate Hills, first showed symptoms of the disease on August 7. She was admitted to the Presbyterian Hospital but was later transferred to the Philadelphia Municipal Hospital for Contagious Diseases. She was reported this week to be recovering although both legs are still paralyzed.

Thomas Yborra, Narberth's only victim of infantile this year, is improving in the Fitzgerald Mercy Hospital, Darby. He was able to walk, this week, with help, and has regained the use of his left arm. His right arm is still paralyzed. Unable to swallow for several days last week he is now on a soft diet.

Although physicians said a six months' recovery period was indicated Yborra is hopeful that he will be able to return to college in the fall.

Arthur Thompson, 31-year-old veteran of the North African campaign, will return to his home, 25 Rolling Rd., Carroll Park, on Saturday. Physicians described his chances for complete recovery as "50-50." His back is rigid, he has lost the use of his right arm, and although he can walk, he cannot bend his knees. Thompson, a paint salesman, became ill on July 20, and on August 1 was admitted to the Delaware County Hospital. His was the first case of polio reported in Lower Merion Township.

#### Evictions Double In June, July

Foster Homes Arranged For Many Children, Says Myers

The housing shortage and evictions are largely responsible for a sharp increase in applications to the Family Service of the Main Line Federation of Churches.

Robert M. Myers, executive secretary, said this week that 63 applications were received during June and July, as compared with an average of 21 per month during the preceding five months. Forty-six of the 63 were from Montgomery County, he revealed, and 17 from families living in Delaware County.

Stating that evictions are especially hard on families with children, he said that whereas the Federation has no way of finding houses or apartments, it has helped several families arrange for temporary foster homes or institutional placement for their children.

This assures the children of care and makes it possible for their parents to take hotel rooms or other temporary accommodations until they are able to find suitable housing for the family.

Some families are able to meet their needs for a short while by doubling up with relatives, Myers said, but in many cases this can only be a temporary expedient. Even the most congenial people find it difficult to live together happily when they are crowded into too small a space and have no privacy.

The present housing shortage aggravates other problems in family relationships with which the Red Feather agency has always helped families, he pointed out. In some cases the housing shortage is the indirect cause of behavior problems of children and other family problems which cause trouble between husbands and wives or between parents and children. Case workers in the Family Service of the Main Line Federation of Churches are especially trained to help with these problems and anyone is welcome to ask this service.

#### NEW SUPERINTENDENT FOR BIBLE SCHOOL AT METHODIST CHURCH

Paul F. McCoy, of 529 Cynwyd Circle, Bala-Cynwyd, will replace Charles H. Hoeflich as general superintendent of the Bala-Cynwyd Methodist Bible School. It was announced this week. McCoy is business executive secretary of the Central Y.M.C.A., Philadelphia. Hoeflich, who is retiring from the general superintendency because of out-of-town business activities, will teach a class of boys.

Daniel Brohead, Oslo Youth Conference delegate, and a junior at Haverford College, will be junior and senior high counselors.

The Red Arrow Bus service will be used again for the coming season, beginning September 7, and the route will be through Overbrook Hills, Merion, Wynnewood, Penn Valley and Bala.

#### Veterinary Asks Zoning Change

Dr. Hoedt Wants to Occupy Property Now In Residential Area

A request by a Narberth veterinary to move his office into a residential zone which is surrounded by business has caused Narberth Borough Council to consider changing several zoning ordinances.

The veterinary, Dr. W. Herbert Hoedt, of 800 Montgomery Ave., Narberth, has been requested to move his office by the owners of his present location, who have received permission from the Borough to erect a gasoline station on the property.

Dr. Hoedt asked D. J. Paolini, owner of a property on the east side of Iona Ave., between Woodbine and Montgomery Aves., for the use of his property if he was forced to move. In a letter addressed to Council, which was read at the monthly meeting Monday night, Paolini asked Council to change the classification of the property from a R-4 residential zone to a commercial area.

His letter stated that his property was entirely surrounded by businesses, and was no longer of value as a residential property. Council authorized a public hearing to be held in Elm Hall September 3 when residents of the area will be given an opportunity to voice their opinions on the proposed zoning changes.

#### Judge Sentences 4 of 'Five Roses'

Ardmore Teen-Age Burglars Committed To Reform Schools

Four of the "Five Roses" Ardmore teen-agers who have admitted 24 burglaries in this area, were committed to institutions last week by Judge Dannerhauer, in Montgomery County Juvenile Court.

The fifth, along with another Ardmore youth who admitted burglary, although not a member of the "gang," has been returned to the Juvenile Detention Home to await a further hearing, on August 21.

Two of the self-styled "Roses" were sent to Glen Mills, and the other two to Luzerne County Industrial School for Boys.

Following their arrest in Atlantic City on July 28, the youthful burglar pointed out to Lower Merion and Haverford Township detectives the 24 homes which they had robbed while owners were on vacation. Twenty-two were in Lower Merion, and the others in Haverford Township.

#### Four Merion Boys To Be Freshmen at Trinity This Fall

Four Merion boys, three of them recent Haverford School graduates, and the other a graduate of Episcopal Academy, have been accepted for admission in the freshman class of Trinity College, Hartford, Conn.

Those from Haverford School are James L. Boyd, son of Mr. and Mrs. Robert T. J. Boyd, of 234 Valley Rd.; Gerald J. Hansen, son of Mr. and Mrs. Gerald J. Hansen, of 409 Sycamore Ave.; and Robert A. Stranger, son of Mrs. Frederick Stranger, of 315 Bowman Ave.

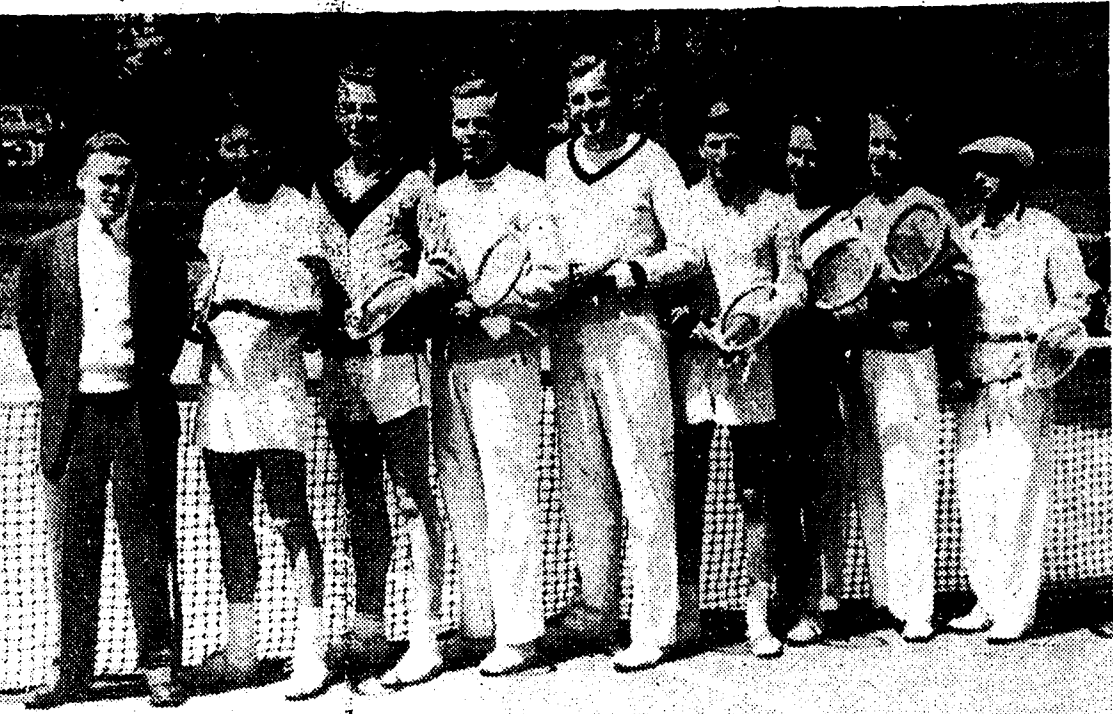

William W. Fiske, 2nd, son of Mr. and Mrs. D. R. Fiske, of Wynnewood and Forrest Rds., a graduate of Episcopal Academy, is the fourth entrant.

#### DISTRICT OFFICER WAS OPTIMIST CLUB SPEAKER

Dr. William Stewart, Lieutenant Governor of the Second District, Optimist International, spoke on Optimist activities at a luncheon meeting of the Ardmore Optimist Club Tuesday, at the Llanerch Country Club.

He also announced that preparations for a Second District Jamboree were underway. The Jamboree will be held in New Jersey some time before October. William C. Stranghan was formally inducted as a new member.

#### TENNIS STARS IN KEYSTONE TOURNEY

Five of the seven members of the Haverford College Tennis Team shown here are participating in the fourth Keystone State Men's Singles and Doubles Tennis Championships being held this week at the Narberth Tennis Courts. Shown, left to right, are Manager, Arch Jacobs; Bryn Mawr; Jim Foster, Connecticut; Diehl Mateer Ardmore, playing this week in Providence, R. I.; Tris Coffin, Bryn Mawr; Tom Crouis, German town; Bob Betson and his brother, Dick Betson, Lansdowne, and Norman Bramall, pro at the Cynwyd Tennis Club. Foster and Mateer were not entered in the tournament. Hank Stern, not pictured, was a member of the Haverford College's Junior Varsity Tennis Team and is participating in the tournament.

#### BUILDING ACTIVITY DROPS DURING JULY IN BOROUGH

Building in Narberth hit an all-time low during July, according to a report made Monday night by Sterling M. Chain, chairman of the Borough Council Building Committee. No building permits were issued, and only four oil burner permits were issued by George B. Supple, Building Inspector.

#### Football Team in Tough Schedule

Night Game Will Be Played in Ardmore September 19

Lower Merion High School's 1947 football season will get off to a gala start September 19 with a night game on Pennypacker field, Ardmore. An innovation this year will be a reserved seat section for adults, beginning at the 50-yard line and allotted on a first-come, first-served basis. Sale of tickets will end September 12.

Under the guidance of Dick Mattheis, the team will play a 10 game series, six, including the opener, at home, three away, and the annual Radnor tilt at Villanova stadium.

The schedule includes: September 19, Northeast High, home; September 27, Overbrook High, home; October 4, Easton High, home; October 11, Abington High, away; October 18, Haverford High, home; October 25, Ridley High, away; November 1, Upper Darby, away; November 8, Norristown High, home; November 15, Chester High, home; November 22, Radnor High, Villanova.

Practice will start August 18, on the school field at 9:30 A. M. Under head coach Mattis and backfield coach Glen Etzweiler, but without a line coach.

Ten lettermen from last year's squad are expected to carry the load of the new season. Len Shephard, selected for the 1946 All-Scholastic team will captain the team from his position as halfback. Dick Oliver, fullback position, will be back at the line. Bob Callahan, and Rubie Tyson are likely to fill the center spot, and Tom Davis, a varsity squad non-letter winner last year is promising for quarterback.

Also returning from the varsity squad are guards Bill Moran and Shorty Innes, ends Bill Press and Dick Zengel, and backs Al Adams and Charley Wilson.

#### 22-Yr.-Old Bala-Cynwyd Southpaw Signed Up by Philadelphia A's

Bala-Cynwyd's Harry M. "Lefty" Blair, 22-year-old southpaw pitcher for the West Manayunk Club of the Main Line Baseball League, has been signed by the Philadelphia Athletics.

Well known for his pitching prowess since his junior high school days, Harry has starred with West Manayunk for the past two years, and it was during that period that he was spotted by Tom Turner, Athletics scout.

He will report to the Red Springs, N. C., Club Tobacco State League, an Athletics farm club, next spring for experience.

An all-round athlete, Harry won the athletic award at Bala-Cynwyd Junior High School where he starred in both football and baseball. At Lower Merion High he pitched for the first team for two years.

One of his best games there was a Lower Merion-Penn Charter game, which fell on his 18th birth-

#### Local Court Stars In State Tourney

Matches Began Monday At Narberth Tennis Club

Local names were prominent in the line-up for the Keystone State Clay Court men's singles and doubles tournament, which got under way this week at the Narberth Tennis Club. The matches began Monday, August 11, with the finals scheduled for this Sunday.

Haverford College contributed six of its brightest court stars. Jim Schnaars, of Bryn Mawr, seeded number seven in the tournament, is captain and number one player on next year's tennis team. Schnaars held the Pennsylvania National Tennis Championship in 1944, while in the armed forces, and is standing up in fine style to the best this tournament has to offer.

Tom Crouis, of Germantown, who is also an outstanding golfer and plays basketball for Haverford, tells fans he'd rather golf than play tennis. Dick and Bob Betson, of Lansdowne, are not new to followers of the court sport. Dick is former Penn State Junior Champion (1943), and Bob was Number One ranking junior tennis champion for 1942-43. Bob is seeded number four at Narberth this week.

This Coffin was runner-up this year in the Virginia State doubles and Hank Stern was a member of the junior varsity tennis team at Haverford College, when the team won the National Interscholastic Doubles Championship this year.

Of the sixty-seven entrants in the fourth Keystone State claycourts tournament, the Cynwyd Tennis Club is represented by Bruce Mayer, Norristown; Dick is former Penn State Junior Champion (1943), and Bob was Number One ranking junior tennis champion for 1942-43. Bob is seeded number four at Narberth this week.

Merion is represented by E. Foster Hammonds, Bryn Mawr, and the Narberth Tennis Club is represented by Harry Wald, Meyer Steinbach, Max Koff, Sol Perchonock, Dave Segal, Sam Meyers, Jerry Lobis, Al Baderek and Ray Kasser, of Philadelphia. Bert Tesman, former captain of the University of Pennsylvania tennis team, who lives in Penn Valley, and Morris Gold of Cynwyd.

Defending champion is Dave Perchonock, of the Locust Tennis Club, who is seeded first in the large field. The Keystone State Claycourts Championships have not been held for six years. Prior to that, they were held for four successive years at the Narberth courts.

Frank C. Felse, owner of the courts, arranged the tournament. Al Baderek is chairman, and Dave Perchonock, vice-chairman. Before the war the Keystone tournaments were confined to local players. This year the State backed the tournament.

#### ARDMORE WOMAN FINED HELD IN PEACE BOND

Thelma Collins Welbern, of 327 West Spring St., Ardmore, was fined \$5 and costs, and bound over to keep the peace by Magistrate Joseph B. Allen Monday night.

According to the complainant, Mrs. Ruth E. W. Lee, of 224 Greenfield Ave., Ardmore, Miss Welbern struck her, broke her glasses and tore her clothes. The assault allegedly grew out of a quarrel over a male friend of the two women on August 8.

## AMOUNT INCLUDES \$1694.23 OF FIREWORKS DONATIONS, \$500 FROM DAY'S FESTIVAL

### Lighting To Be Installed for Ball Court

Narberth's community playground will realize a total of \$2194.23 to be used for improvements, equipment, and repairs, as the result of the 1947 Fourth of July celebration.

The amount includes \$1694.23 from the Fireworks Fund, and \$500 from the Narberth Day Fund.

At Monday night's meeting of Borough Council, William P. Davies, general chairman of the Fourth of July committee, reported that the Fireworks fund, made up of individual donations, totaled \$2835.65. Expenses, he said, were \$1141.42, leaving a balance of \$1694.23 which will be turned over to the Narberth Recreation Board to be used exclusively for playground equipment.

The Board is composed of Frank Dwyer, chairman; Dr. Walter Steckbeck, Davies, Mrs. Samuel J. McCartney, and William H. Howard.

Sterling M. Chain, chairman of the Narberth Day Committee, reported that the gross receipts from the 15 booths which operated during the day amounted to \$1013.96. In addition, the committee, he said, received donations of \$127.25 and sold \$30 worth of advertising in the programs.

Against this total of \$1171.21, Chain said, expenses were: prizes, \$108; programs, \$53.75; pet and baby show, \$35; general expenses, \$55.96, and cost of sandwich materials, soft drinks, other foods, items for the fish pond, etc., \$413.39, making a total of \$666.10, and leaving a balance of \$505.11.

This balance, Chain stated, added to the \$214.88 already in the fund from previous years, made a total of \$719.99. Of this balance, \$1246.99 will be kept in the bank as a backlog for next year's observance.

Chain presented a check for \$500 to Borough Council to be earmarked for playground use exclusively, and used at the discretion of Council. It will be entirely separate from the fund realized from the fireworks donations.

In stipulating that the fireworks fund be used entirely for the purchase of playground equipment by the Recreation Board, Davies stated that the committee had already ordered several benches for the playground, and was making inquiries about the purchase of lighting equipment for the basketball court.

The possibilities of erecting additional grandstands on the Pennsylvania Railroad bank adjoining the playground is also being investigated by the committee, Davies said.

Officials of the two committees responsible for the celebration were: Fireworks—J. J. Cabrey, honorary chairman; William Howard, chairman; Carl Metzger, Jr., treasurer; Burns Best, Raymond Cabrey, Walter Case, Sterling Chain, Gene Davis, Frank Dwyer, Theodore Fisher, Douglas Miner and Harry Simpson. Narberth Day Committee: Mrs. Eberhardt Mueller, honorary chairman; Sterling Chain, chairman; Mrs. Larry Grey, assistant chairman; Mrs. Harry Holler, secretary; Mrs. Chain, treasurer; Miss Nellie Fratantoni, purchasing agent, and Walter Case, amplification.

#### Letter To The Editor

Editor's Note: The following letter was received this week from Sterling M. Chain, chairman of the Narberth Fourth of July Day Committee. It is addressed to the executive committee, chairman and their assistants, and the many other workers connected with the organizations who participated in the Narberth Fourth of July celebration.

Your tireless efforts in helping to arrange the details necessary for the holding of so many interesting events, displays and booths, made possible the greatest day ever enjoyed here on July Fourth. Your happy, pleasant enthusiasm resulted in real, effective coordination.

It was a wonderful family day, and I know the greatest satisfaction each one of us shared was the real fun the hundreds of kiddies and boys and girls enjoyed.

I want you all to know how deeply I appreciate each single contribution, for you gave your very best.

My thanks to you for your perfect backing. This is just the traditional Narberth spirit and makes one proud to live among and be friends with such a grand people.

Sincerely,  
STERLING M. CHAIN,  
Chairman,  
Narberth Fourth of July Day Committee.

#### DIVORCE GRANTED

A divorce was granted this week at Norristown to Mrs. Lois A. Barney from Henry L. Barney, of 28 Thomas Ave., Bryn Mawr.

#### 14 TRAFFIC VIOLATIONS REPORTED FOR JULY

Franklin G. Hutchinson, chairman of the Narberth Borough Council Public Safety Committee, reported four stop sign and eight parking violations in Narberth during July. He also reported one arrest for drunken driving, and one arrest for reckless driving during the month.

The Narberth Fire Company, according to a report made through Hutchinson, by Albert Nulty, Borough Fire Chief, answered three fire alarms in July, one of which was in Lower Merion Township.

**OPERA CO. VERSATILE**  
**IN "RAIN" PRODUCTION**

With Somerset Maugham's classic "Rain" as the vehicle, the Main Line Civic Light Opera Company is demonstrating to audiences at the Berwyn Theater this week that its versatility extends not only to operetta and comedy but also to heavy drama.

A newcomer to the company, Ella Playwin, is more than satisfactory in Jeanne Eagels' famous role of Sadie Thompson, while her antagonist, the tyrannical and hypocritical Rev. Alfred Davidson, is capably played by William Valentine.

Herbert Duffy, as Dr. McPhail, gives as brilliant an individual performance as has been seen this season on the Berwyn boards. Duffy, who has just returned from a year in the road company of "Dear Ruth," is at all times in sympathy with his role and gives a relaxed, competent performance, and Harry K. Smith as Handsome, are skillfully performed, and Ruth Carroll,

izes aptly a downtrodden general store on a beautiful South Sea isle and even the storm, from which the play draws its title, is permitted to appear in its full fury.

"Rain" will continue each evening until Saturday.

Next week's production will be the mystery thriller, "Love From a Stranger," a dramatization by Frank Boster of the story by Agatha Christie.

When her dog Prefra V. Giucklich Ardmore, C.D., was judged a champion. Prefra is the first champion in the Delaware Valley Club.

The activities of the club include training classes every two weeks; monthly meetings for the members and match shows given several times a year.

The training classes are held at the Wayne home of Mr. and Mrs. S. Hulme Brown, formerly of Narberth, and are directed by handlers who are experts in the training and showing of dogs.

The purpose of the club is the betterment of the breed and the promotion of the dogs into companion dogs and working dogs capable of doing work for the Red Cross, the police and the armed forces.

Barry Davidson, 38, of the Rev. Davidson's wife, portrays the character with ability and feeling.

Barry Mansfield's setting is a high spot of the drama. Combining the shabby and the exotic, it symbol-

Pullman car names are not meaningless, but are chosen to indicate the capacity and interior construction of the car, so that trains can be made up quickly to meet specific requirements. To illustrate, cars in the "City" series contain eighteen roomettes, and those in the "Lake" series are divided into ten sections, two compartments and a drawing room.

PROPER DRIVER ATTITUDE NEEDED  
TO REDUCE ACCIDENT TOLL

By OTTO F. MESSNER  
President, American Association of Motor Vehicle Administrators and Deputy Secretary of Department of Revenue, Commonwealth of Pennsylvania

Most safety experts will agree that the ultimate solution of the safe driver problem rests in the development of the proper driver attitude. Those of us who are charged with responsibility of keeping an official eye upon the traffic solution in our respective states know that bad driving has been at the bottom of nearly every accident we have recorded. Chance-taking speedsters, poor judgment at a curve, failure to outguess the other fellow in the desire to beat him to it, along with a hundred and one other little faults in the driver's attitude, have been piling up a national casualty record, which has made that of the terrible war just ended seem almost insignificant.

All of these faults just mentioned could have been corrected by proper training when the operator first began to learn how to drive a car. However, the success of that training, like the success of all training, would depend entirely upon the attitude of the person receiving it. All the training in the world will not overcome the erratic actions of a born fool. Only by the most severe punitive measures can he be handled and restrained.

The development of proper driver attitude is divided into two separate phases: Correcting the faults of present drivers and training future drivers.

The first phase is that of endeavoring to correct the driver attitude of present-day drivers who have had little or no training and who may have bad driving habits of long standing. Only by utilizing every channel and vehicle of propaganda; through the medium of the press, the radio, the motion picture, the spoken word; by organized local campaigns and intensive co-operation by all civic organizations and civic-minded individuals can the individual at the wheel of the car today be made safely conscious. The same kind of patriotic appeal must be made to them as is made in behalf of the Red Cross, Com-

munty Chest, the Salvation Army and their worthy causes. In other words, civic consciousness must be aroused before the individual driver can fully appreciate and carry out, not only his responsibility to himself and his family, but to the other fellow and the community at large.

That phase of the driver problem is by far the most difficult because it must deal with a great number of people who today are driving motor vehicles with reckless disregard for their own lives and those of their fellowmen. It will require tremendous effort and a heavy expenditure of funds if it is to be far-reaching enough to get the desired results. That results can be obtained has been definitely proved.

Where there have been intensive civic safety movements and intensive publicity, the traffic casualty list has gone down. We have had that experience in Pennsylvania since last August, when the Governor's Safety Campaign was inaugurated. There has been constant activity and organized effort in every section of our Commonwealth. Fatalities have decreased along with injuries and accidents. In Pennsylvania, we have been so encouraged by the results, that we propose to add still greater impetus to the campaign in the days ahead.

## Y. M. C. A. NOTES

Camp Main Line activities for the remainder of the season will include many special events as well as regular activities at the Main Line YMCA.

Thursday a boat ride down the Delaware on the Wilson Line will be the feature. Friday morning during the assembly period a First Aid Demonstration will be given followed by a craft period. That afternoon there will be a swim at Brookline Pool.

Tuesday morning Rev. Gary Price will speak at the assembly which will also include movies of various sports. Games and crafts will be held at the Y in the afternoon. Wednesday, the regular swim will be held at West Branch YMCA with a craft schedule at the Main Line building in the afternoon.

Next Thursday will be a big baseball day as the championship play-offs will be staged at 10:30 A. M. and 1 P. M. in the South Ardmore Park. Friday will be the closing day with an assembly in the social hall at the Main Line YMCA. A feature movie will be shown, and H. Rowland Weaver, executive secretary of the Main Line YMCA, will speak and present the awards.

The Junior Baseball League sponsored by the Main Line YMCA will hold championship playoff games at the South Ardmore playground Friday morning. Two games will be played at 10:30, and in the afternoon the losers will play against each other and the winners of the morning games will play for first and second place in the league.

The four teams of the league that will be participating will be Penn Wynne, Villanova, Narberth and Gladwyne. Eric Stauffer, and George Lutz will be the officials. The program is under the supervision of James C. Hengst, boys' worker of the Main Line YMCA.

Gus Wagner, Jacqueline Spahr, Richard Wentworth, William Fark and Courtland Kaninger were among the Main Liners at Avalon Lodge last week-end. The lodge is sponsored by the YMCA of Philadelphia and vicinity.

Bob Brittain, of Wynnewood, was elected treasurer of the Twenty-To Club last Wednesday evening at a business meeting at the home of Dorothy Fowler in Ardmore. The meeting followed a progressive dinner and was presided over by the president, Lloyd Jennings.

On Sunday, club members and guests went on a trip up the Delaware River from Camden. Among those present were Violet Kuleh, Bob Flaherty, Eleanor MacAllister, George MacNeill, Helen and Don Rush, Lorraine Crews, Joe Couch, Mary Hampel, Eleanor Blake, Dave Allison, Tom Dolan, Lloyd Jennings, Joanne Albani and Morris Iyck. A canoe trip is planned for Saturday afternoon, August 23.

**Hilliers Face No. 13 Jinx At Manoa Next Sunday; Narberth, Ardmore Meet**

By HARRY ELLSWORTH

Drexel Hill, winner of 12 straight Main Line League contests and Eastern Division leader by a full game, meets Manoa at Veterans Field in Manoa on Sunday in a game that may decide the first place playoff berth in the Eastern sector.

With only two weeks of the regular season remaining, Drexel Hill, Manoa and Narberth, the three top runners, have only four contests apiece remaining. Three of Drexel Hill's four contests will be played on foreign fields while Manoa is playing three contests in friendly home surroundings.

Drexel Hill, in running up its winning streak, moved from third place to first and has not dropped a ball game since June 22 when this same Manoa crew lowered the Irwinmen, 9-4.

Manager Joe Irwin, whose Hilliers were noosed out of the Main Line League when they were defeated in a thrilling seven-game series last year, is determined to bring the title to Delaware County.

The pitching assignments for Sunday's crucial fray have not been decided upon, but it is believed that either Gene Conway (7-0) or Jack Creamy (6-0) will fling for Drexel Hill. Conway and Creamy top the Main Line League in pitching.

Manager Frank Mathew, who has brought a mediocre Manoa nine up to a pennant contender, will use Ollie Hester (4-1) or Nick DeFranks (5-0), the West Chester Teachers' no-hit, no-run hurler.

Jack Williams, the loop's top batsman and Drexel Hill first baseman, will also be there, slugging a base-hit battle with stocky Gil Gekoski, Manoa catcher and No. 2 league hitter.

On Saturday afternoon, Drexel Hill says farewell to its Township Line Field when they oppose the scrappy youngsters from Gladwyne. Gladwyne, with Smith and Buddy Charles doing most of the pitching, has won four straight.

Manoa's Saturday game is with Ardmore at home. The Lions dropped two games over the week-end, but hung on to fourth place in the East. Franny Burt will pitch for the Mulberry.

Narberth, surprised by Gladwyne, 4-2, on Saturday, is assured of a playoff spot, but still entertains hopes of at least taking second place in the East. The Boroughites meet hapless West Manayunk on the Firemen's field on Saturday and will remain on the road Sunday, meeting Ardmore at Ardmore. George Davidson and Albie Becker will pitch for Gene Davis' nine.

In the Western Division of the league, Wayne holds a game and a half advantage over Berwyn. The Raiders stopped the Pirates, 7-1, only to lose a 3-1 heartbreaker to Manoa on Sunday while Berwyn was upsetting Ardmore.

The Italian-Americans will enjoy a comparatively easy week-end, meeting the Western Division's tail-enders, Collegeville, brings its 16-game losing streak to Radnor High field on Saturday, while on Sunday, the Gavin gang goes to Norristown to play the fourth-place County Seat.

Harry Dessert and Lou Houtz will fling for West Manayunk, a five-hit ball against Drexel Hill on Sunday, only to lose, despite seven Wayne bingles.

Berwyn, which has been one of the top attractions as far as home attendance is concerned, travels to Norristown on Saturday. On Sunday, the Pirates enjoy an open date.

Sunday's remaining two contests and Gladwyne at West Manayunk and West Chester trying to insure its third-place playoff spot in the West, meets Collegeville on the Superiors' Field.

Jack Corr and Dick Baker blasted home runs as Manoa routed West Manayunk, 12-3, Saturday. Black got four hits to lead the 15-hit assault on Sam Lowry, former Villanova pitcher. The young Manoa second baseman also got two hits on Sunday to total six hits for the week-end.

Dom Caniglia finally snapped Berwyn out of its lethargy, letting Ardmore down with six hits and winning for the Pirates, 8-3. J. Rubino and brother Pete Caniglia each garnered three hits.

**SPORTS SCENE**

By JACK FORD

While the perspiration trickled merrily down the cheeks and jowls of morbid Main Liners, Villanova College's football tub, thumper—in the person of jolly Jim Haughton—ignored the heat, humidity and general discomfort to start spouting about the Wildcats.

This, it might be mentioned, isn't surprising. Haughton is apt to start sounding Villanova's praises come heat or cold water. After all, he's a graduate of that school... and, what's more important, he gets paid for it.

In any event, to make a short story longer, Haughton let loose with the news at the weekend that applications for football tickets have been mailed out to 11,000 Villanova alumni and followers. Villanova, incidentally, is resuming the sale of season tickets after a lapse of several years, and if you don't get yours early you're liable to be disappointed.

We were fortunate enough to watch the Wildcats in seven of their nine games last season, and if they don't come up with one of their greatest grid teams in modern history this year—well, you can kick us where it'll hurt the most.

The Villanovans have poise, power and abundant reserves. And, seasoned by an ambitious 1946 campaign, they're apt to come up with a haymaker in Army's opinion.

Don't be surprised (and you don't have to be) if the Wildcats hand Army its first defeat in four seasons come late September. Jordan, Olivar's operatives fumbled away four touchdowns at West Point last year.

Another fumble enabled Navy to squeeze out a 7-0 triumph at Annapolis. The Villanovans were desperately over-anxious last season. That had the potential, but not the know-how. Now that they've acquired the savvy, watch out!

Speaking of Villanova football, remember Melvin Downey? He's the roly-poly tackle who couldn't turn out on photographers' day during pre-season practice because his wife was out shopping and Mel had to remain home and mind their young 'un.

It's not likely that Downey will miss any practice sessions on that score this season. He's teamed with the Philadelphia Eagles and General Manager Al Ennis might not be so tolerant as the Wildcat whip-cracker, Mel, who played a lot of tackle for Dartmouth and Holy Cross before finally checking in at Villanova, scales a mere 240 pounds.

Slowed by an injured ankle last season, he's expected to fill a great, gaping hole in the Eagles' midsection. Joining him as the Eagles' poundage lists heavily to portside are Jim Kwik, 255 pounds, from the University of Missouri, and Homer Simmons, Oklahoma's 280-pound contribution.

There's a possibility that high school hurdlers may run 220 yards instead of 200 in PIAA-sponsored track meets. District officials will meet early next month to discuss the advisability of returning to pre-war distances for the low hurdles test. A suggestion that contestants in the PIAA State Class A and B championships also be required to meet minimum times, distances and heights to be eligible, will be considered.

**HEAVYWEIGHTS JOIN EAGLES AT SARANAC**

There'll be no midgelets in the Eagles' line when the Philadelphia team meets the Chicago Bears in Franklin Field, Sept. 13.

A visit to their permanent training camp at Saranac Lake, N. Y., discloses that the Eagles' ancient badness has been remedied and that its usual fast stepping backfield has been reinforced by a heavy shot of beef in the forefront.

The new isopotes are Guards Al Bais, late of the Bears, who weighs 225 pounds, and Art Mergenbuhl, formerly of the Los Angeles Rams, 215 pounds, and those three tough college tackles, Jim Kekeris, 275 pounds, from the University of Missouri, 240, Dartmouth, Holy Cross and Villanova.

The world turns aside to let any man pass who knows where he is going.—David Starr Jordan.

**Baker Pitches No-Hit Game in Mont-Del Loop**

Slowed down by rain which has piled up postponed games by the score, Mont-Del League teams fought their way through another rocky time last week, during which all four leaders remained in the same positions they had previously held. And by the way the playoff position battle is going all the way until late in the season.

Final four positions can be determined. Six games were played last week of the eight which were scheduled. One was the feature struggle between St. Laurence, of Highland Park, and the fourth-place St. Thomas nine, of Villanova, on Monday at Drexel Hill. Bob Baker pitched a no-hit, no-run game to give Jim Kelly's team an 8-0 triumph which enabled the second-place team to gain a half game on St. Margaret's.

Baker's no-hitter was the fifth of the league season, the third no-hit, no-run game, and was gained at the expense of Ed Grimes, St. Thomas hurler, who previously had pitched a no-hit, no-run game which he won, and a no-hitter which he lost. It was the second of the season for a St. Laurence pitcher, for Jim McCabe, veteran southpaw, had previously turned in a no-hitter for the Laurentians, although he was scored on in winning, 2-1.

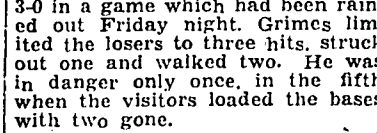

Baker struck out seven, walked only one, pitched only 24 balls, no-run game, and was gained at the expense of Ed Grimes, St. Thomas hurler, who previously had pitched a no-hit, no-run game which he won, and a no-hitter which he lost. It was the second of the season for a St. Laurence pitcher, for Jim McCabe, veteran southpaw, had previously turned in a no-hitter for the Laurentians, although he was scored on in winning, 2-1.

Grimes was in his usual form on Sunday, when he stopped Good Counsel as St. Thomas triumphed, 3-0 in a game which had been rained out Friday night. Grimes limited the losers to three hits, struck out one and walked two. He was in danger only once, in the fifth when the visitors loaded the bases with two gone.

St. Colman's, of Ardmore, bowed on Monday by 8-4 to St. Philomena at Lansdowne High, and St. Lucy's, of West Manayunk, at Ardmore, Wednesday. St. Philomena knocked Ed Seery out of the box with a four-run first-inning outburst and went on to win back of Russell Keyes' effective hurling.

Stop telling men not to worry; all thinking men do, and only such men do the world's work.—M. H. Fischer.

**PHILADELPHIA ELECTRIC COMPANY**

Atomic, energy—radio—the wheel—airplane—electricity—automobile—steam engine—telephone—printing press—take your pick. What do you think is the greatest invention ever made?

Certainly each is important, and each has contributed generously to our way of life. But the American public, in Dr. Gallup's recent coast-to-coast survey, voted electricity the most important invention of all time!

It's hard to imagine our type of civilization without electricity. We depend on it for so many things—in our homes—in business and industry—in transportation and communication. The hat on your head—the food on your table—the newspaper on your doorstep—your favorite radio show—each depends directly on electricity.

Yet the average American family spends less than two cents of its income dollar for electric service. Because electricity does so much for so little is, perhaps, the main reason why Americans have voted it the most important invention of all inventions.
